***Allowable Subject Matter***

1. Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: Applicant's remarks filed 8/24/04 regarding the rejection of claim 1 under 35 U.S.C. 112 is persuasive. The examiner contends that determining absorbent capacity of an absorbent core is a well-known procedure and within the level of one of ordinary skill in the art. Additionally, the overall claimed structure of an absorbent core having a crotch region with an absorbent capacity less than the total absorbent capacity of the absorbent core in combination with a removable and non-removable absorbent core is neither anticipated nor rendered obvious by the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacqueline F Stephens whose telephone number is (571) 272-4937. The examiner can normally be reached on Monday-Friday 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Larry Schwartz can be reached on (571)272-4390. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
